Painted Protectors

Once per activation, this character may use 1 Will Point to place a character in base contact that was previously removed from the game. This character functions exactly as it did before, except it gains Bodyguard (The Artist), has a MIND value of 1, and 4 Life Points. If this character ever ends its activation further than 3 inches from The Artist, it is removed

from the game. Each character can only be brought back in this way once.
